Cheerfully

Let us make a snow-man, A snow-man, a snow-man,

Let us make a snow-man now, If we can.

1. We'll gather snow up from the ground, From the ground, from the ground, We'll gather snow up from the ground, For our snow-man.

## Chorus

Let us make a snowman,  
A snowman, a snowman,  
Let us make a snowman now,  
If we can.

- 1 We'll gather snow up from the ground,  
From the ground, from the ground,  
We'll gather snow up from the ground  
For our snowman.
- 2 We'll make a ball so big and round,  
Big and round, big and round,  
We'll make a ball so big and round  
For our snowman.
- 3 We'll make a small ball for the head,  
For the head, for the head,  
We'll make a small ball for the head  
Of our snowman.
- 4 We'll place the head right on the top,  
On the top, on the top,  
We'll place the head right on the top,  
For our snowman.
